

TOLL CONCESSIONS FOR DISABLED PERSON'S BADGE HOLDERS AT ROAD BRIDGES AND TUNNELS

Contact List Number 7

Disabled people using the following toll bridges and tunnels should be entitled to concessions provided they meet certain conditions set by the owners or operators.

In some cases, to qualify for a concession an application has to be made in advance to the relevant bridge, tunnel or local authority. It is, therefore, generally advisable to check with owners or operators first.

Birmingham Toll M6 Motorway

Tel: 0870 8506262

An exemption pass has to be applied for to those in receipt of the higher rate mobility component of Disability Living Allowance and the DVLA Vehicle Excise Duty for Disabled People (tax exemption).

The Mobility Exemption Pass is for the sole use on the M6 Toll and allows free passage of the nominated vehicle only. If you think you may be eligible for a Mobility Exemption Pass, you must apply to Midland Expressway Limited as no other evidence of disability (e.g. Blue Badge) can be accepted.

Organisations, recognised by the Secretary of State for Transport, which operate a vehicle used for the carriage of disabled people can also use the motorway free of charge by applying in advance for a Mobility Exemption Pass.
